<b>Weight:</b>	Net 450 lbs. (170 kilos)
<b>Ship Weight:</b>	500 lbs. approx. (190 kilos)
<b>FOB:</b>	Napa, California

### Why this machine will work for you:

All Simplex machines are recognized as a **World Standard** for liquid filling. The Simplex Model 440 is an **accurate, semi-automatic**, pressure filling machine. Our **precision engineered system** handles a wide variety of product applications adapted to each customer's specific needs. Food, foaming detergents to semi-viscous oils the 440 is an **In-Case Semi-Automatic Pressure Filler**. The 440 is a unique design, permitting **quick change over** from one container to another. The 440 is very **reliable**, and extremely **dependable**. This **Multi Head In-Case Pressure Filling** machine is **durable, economical, and versatile**, especially with our **Air Logic Control System**. All contact points are constructed of USDA approved materials making it useful for many more applications.

### Components Included:

- Tank
- Pump
- Semi-auto operation
- E-stop

### Optional Equipment:

- Spout- Variety of sizes available
- Vacuum suck-back system
- Foam transfer system
- Explosion proof setup
