<b>Weight:</b>	Net 120 lbs. (68 kilos)
<b>Ship Weight:</b>	180 lbs. approx. (91 kilos)
<b>FOB:</b>	Napa, California

## Why this machine will work for you:

All Simplex machines are manufactured with care to ensure quality, performance, and flexibility. The Simplex **High Speed Lid Dropper** is a **simple and easy to use** unit, which is designed to merge with an automated conveyor system. It is also very **reliable**. This **variable speed** machine is **compact, durable**, and is available in all standard voltages. It is explosion proof. Our High Speed Lid Dropper provides fast efficient lid placing of standard paint can plugs from pint through gallon sizes. Mount on an existing conveyor line or on a Simplex conveyor. Simplex is now offering an Adjustable High Speed Lid Dropper for those customers that need to run different size containers on the same line.

## Available Components:

- Lid centering stars
- Standard voltage motors (special voltages available)
- 1/3 hp - Class 1, Div 1, Group D, Explosion Proof Motor, Single Phase
